BEFORE AND AFTER GRADUATION

Job placement and career guidance services

- University Job Day - **October, 23rd 2025**
– and events (online or in person) of company presentations and recruiting with one or more companies
- Individual support: CV/LinkedIn check, simulations of job interviews
- Career guidance seminars and workshops
- Job vacancies board

JOB DAY 2025

October, 23rd – Fiere di Parma

Over **160** participating companies and organizations

Objective: meet company recruiters, submit your CV to apply, and attend both informational and selection interviews.

Besides the Job Day, company presentation events and interviews with one or more companies are held throughout the year, targeting specific Departments or Degree Programs, depending on the preferences of the companies.

JOB DAY

INDIVIDUAL SUPPORT

CV/LinkedIn check, simulations of job interviews

- Skill-up: a personalized individual support service for job search, CVs, interviews, and LinkedIn, always available in both Italian and English. Book your session at this link:
<https://www.unipr.it/servizi-agli-studenti>
- CV check sessions held before the Job Day

In-person job guidance seminars and workshops in collaboration with IFOA

- LABOUR MARKET OBSERVATORY – GROUP WORKSHOP: 20 editions per year, 2 editions for each Department
- Goals:
 - Understand the Italian work market
 - Investigate the job contracts
 - How to Search a job
- Date to be set (**May** in 2025)
- More on [this page](#) of unipr website

Job guidance Webinar by the Placement Office in collaboration with ER.GO

- A series of online seminars with the goal of:
 - Job search strategies
 - The CV and cover letter
 - Finding a job in NGOs and international organizations
 - How to read job postings
 - The steps of a selection process
 - The job interview
 - LinkedIn, the social network for job search
- Date to be set (**June** in 2025)

Platforms for job search

[AlmaLaurea platform for Unipr](#): updated every day; the companies posting jobs search for UNIPR students/graduands/graduates

AFTER GRADUATION – PHD PROGRAMME

The PhD programme is a **3-year postgraduate course** open to candidates holding a Master. Admission is through a public selective exam.

FULL-TIME COMMITMENT – at least 70% dedicated to research activities

Supervision – one supervisor and up to 2 co-supervisor

Possibility to carry out research periods abroad and activities within public or private organizations.

Our PhD: **INFORMATION TECHNOLOGY**

DATES & DEADLINES

HOW TO APPLY: <https://www.unipr.it/dottorati-iscrizione>

CALL FOR APPLICATIONS: **published in July**

CANDIDATES' SELECTIONS: **usually first week of September**

PHD STARTING DATE: 1st November 2026

The PhD title is awarded upon passing a final examination at the end of the three-year period of attendance, which consists of the discussion of the PhD dissertation.

WHY A PHD?

- PhD programmes provide the skills needed to carry out **high-level research** activities at universities, public institutions, or private organizations.
- They offer a highly specialized training path through **dedicated courses**, participation in schools and seminars—focused both on specific disciplines and on soft skills and entrepreneurship.
- PhD programmes **may include training periods abroad** or in companies, for up to 18 months out of the standard 36 months.

Fondo Sociale Europeo Plus - FSE+

PNRR – Next Generation EU

INNOVATIVE PhD PROGRAMS addressing the needs of companies and promoting the recruitment of researchers in the private sector, with the aim of strengthening high-level skills, especially in the area of enabling technologies.
